

Welcome to Tree House Farm Retrievers & Bernese Mountain Dogs

As a responsible breeder, I want to make every effort to get to know our potential puppy buyers well before puppies are ready to go home. The following questions will help me learn more about you and what you are looking for in your future puppy.

Why do you want a dog?

Have you ever owned a dog before?

Do you currently own any other pets?

Why have you chosen this breed?

Who will be responsible for the dog's care?

Do you have the time to meet the demanding needs of the puppy/dog for feeding, training and exercise?

Are there any children? If so, how old are they? How would they be instructed in the care of the dog?

Does anyone in the household have allergies?

Are you committed to the grooming and health maintenance?

What is your attitude toward training and obedience?

Will you have time to walk and play with the dog?

Are you aware of the costs involved in veterinary care, buying quality dog food, boarding the dog when away, etc.?

Do you own or rent your home/apartment?

Do you have a yard, if so how large, is it fenced?

Are you interested in male or female puppy?

Thank you for taking the time to respond to this questionnaire. We hope answering these questions has helped you understand some of the responsibilities of owning a dog
